

SCOPE OF PRACTICE COMMITTEE

March 8, 2005

Members Present: See Attached List

Guests Present: See Attached List

Call to Order:

Trista Campbell, co-chairperson, called the meeting to order at 10:01AM.

I. Review of Minutes

The minutes of the December 7, 2004 meeting were reviewed. Agenda Item IV.

B. Jean Dorame made the motion to approve and Vicki Buchda seconded the motion. Minutes approved as amended.

II. Advisory Opinions approved at January 2005 Board meeting

A. Dermatological Procedures Performed by Registered Nurses

Members discussed Judy Bontrager's testimony before the Governor's Regulatory Review Council regarding proposed changes to Article 14, which addresses the use of lasers by other than licensed practitioners. Members were also informed that Judy will meet with John Lamp of the Radiation Regulatory Agency to discuss the impact of the new rule on RNs and nurse practitioners.

B. Temporary Intracranial Catheters

III. RN inserting External Jugular IVs

Tom Morris, RN, MS, FNP, from Banner Desert Medical Center presented his research regarding RNs inserting external jugular IVs. Nursing literature indicates that external jugular IVs are considered peripheral IVs, but are usually inserted only when no other site is available. Generally, only those RNs working in ER, ICU and PICU, and nurses who are PICC qualified or on SWAT teams are credentialed to place external jugular IVs.

Committee members voted unanimously, by show of hands, to establish an advisory opinion on RNs inserting external jugular IVs. Susan Eubanks and Theresa Frimel volunteered to write a rough draft for presentation at the June 7, 2005 SOP meeting.

IV. Draft Advisory Opinions

A. Frequently Asked Questions – Range Orders

Committee members reviewed draft and minor changes made. Motion made by Kathy Adamson and seconded by Mary Ann Cox to approved advisory opinion as amended. Motion was approved.

B. Frequently Asked Questions – Pain Management

Committee members reviewed draft of advisory opinion. Changes made to draft. Motion to approve made by Mary Ann Cox and seconded by Theresa Frimel. Motion was approved.

V. SOP membership for FY 2006 - 2007

Ten resumes have been received from prospective members for the SOP Committee. Current members who have served two years should email Judy Bontrager by May 30, 2005, if they wish to continue to serve on the committee. SOP members who have served four years should plan to attend the June 7, 2005 meeting.

VI. Adjournment

Meeting was adjourned at 11:15AM. Next meeting is scheduled for June 7, 2005.

Minutes Respectfully Submitted by:

Suanne Smith, RN, MS
